The Department of the Interior,
Ottawa, Ont.

Dear Sir

On September 29th and October 1st we sent in the necessary papers for Volunteer b unty under the Act of 1908, on behalf of Gordon Beattie Whyte, Clarence Kilburn Rorison and Mortimer Simon Wigle, and we have been awaiting a reply from the Department of Militia and Defence, as these persons are very anxious to have their land certificates at the earliest moment so that the land may be located this Autumn.

Mr. Rorison has today brought in a letter from the Secretary of the Department of Militia and Defence saying that the land warrant dated October 2nd, 1908, bearing No.1208 has been forwarded to the Department of the Interior and he is anxious to know when he may expect the land warrant forwarded to us. We are in hopes also that the warrants for Mr.Whyte and Mr.Wigle have also been forwarded to your Department, and we would be very glad to know on their behalf when we may expect these also. An early reply will greatly oblige.

Yours truly,

(Sgd.) Rodd & Wigle.

[illegible] hereby [illegible] to the Minister of Mines, Transvaal, [illegible] South African Territories, [illegible] Certificate No. [illegible] for 300 acres of land.

Department of the Interior,

Ottawa, 6th December, 1909.

Mr. Hume,

re your information of the 22nd ultimo.

South African Volunteer Bounty Land Certificates must be located on two adjoining quarter-sections, and either or both of the quarters may be fractional, but if so the deficiency in the area cannot be made up out of other lands. They cannot be located on portions of three quarter-sections, but must be located on two adjoining quarter-sections only.

Mr. E. L. Robinson, therefore, cannot locate a Certificate on the W½ and the S.E.¼ of Section 17, Township 17, Range 17, West 4th Meridian, as he desires; he could, however, locate on the fractional W½ or the fractional S½, provided, of course, the existing entry on the S.W.¼ was cancelled.

His brother, F. A. Robinson, homesteader on the S.W.¼ of Section 17, applied to purchase the fractional S.E.¼, Ref. 1904070.

This application, however, would lapse, if his homestead entry for the S.W.¼ was abandoned, in order that E. L. Robinson might locate South African Scrip on the fractional South Half.

Sir,

I am to request that you inform [illegible] that if the patent should, however, be withheld pending the settlement of the matter mentioned in the letter from this office dated [illegible] he might otherwise claim on the ground that [illegible] the land in question [illegible] charge or lien in favour of the Dominion.

Vacant lands included within the boundary of the Lethbridge Northern Irrigation District.

In a memorandum dated the 20th instant, the Acting Commissioner asks for a statement showing the standing, according to the records of the Department, of the lands above enumerated.

Standings have been obtained from all the branches and the Head Office files have been examined. It is noted, therefrom, that the lands are all reserved for the Lethbridge Northern Irrigation District and, except for seed grain indebtedness outstanding against three quarter-sections and a Mineral Sale against the Mł of SWł 25-9-22-W.4th M, are, otherwise, clear in the records of the Department.

The Agent of Dominion Lands, Lethbridge, was instructed to reserve the lands affected by the scheme in a letter dated the 30th April, 1923, from the Acting Director, Dominion Water Power and Reclamation Service. The above described lands are all within the boundary of the District and are outlined in red on the enclosed plan.

The seed grain indebtedness plus interest to the 31st December last is as follows:

NWł 17-11-19-W.4th M.....	$744.18
SEł 21-11-19-W.4th M.....	$385.33
SWł 19-12-19-W.4th M.....	$ 90.00

According to the memorandum to Council of the 19th instant (copy on file hereunder) the Government of the Province of Alberta will accept responsibility for the payment in full of any seed grain or fodder relief liens charged against the lands.

Mr. Spence, Mining Lands Branch, states that as the Mineral Sale does not affect the surface rights of the Mł of SWł 25-9-22-W.4th M., it will not conflict with the sale of the land.

(b) If not discharged, evidence of being incapacitated and of honourable military record.

By general public including civilians, men on active service and returned soldiers.

Paragraph (c) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"'Settler' means any person who has served in the naval or military expeditionary forces of Canada during the present war, or who was engaged in active service during the present war in the naval or military forces of the United Kingdom or of any of the self governing British Dominions or Colonies or who being a British subject resident in Canada before the war has been engaged in active service at one of the seats of war in either the naval or military forces of any of His Majesty's Allies in the present war, and who has left the forces with an honourable record, or who has been honourably discharged, and the widow of any such person who died on active service."

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land.

The following indebtedness is charged against this land $ If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of indebtedness.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore prescribed, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of Albert Light
N.E. 9-1-13-4

The matter of an application for an adjustment of [illegible] cuts[illegible] filed against the above mentioned party is referred to the constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1931 and 1930 seed grain amounting to $375.50 was advanced to Albert Light on the security of the above mentioned land. A payment of $5.06 was received in 1928 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 375.50	$ 826.44	$ 1,201.94

The N.E. 9-1-13-4 was formerly the homestead entry of the debtor on which security he obtained the 1931 and 1930 advances of seed grain. Patent to the land has since been issued and title according to an Abstract of Title dated the 17th of November 1932, stands in the name of a Mr. Adam Wallace Jockam. There is no record of the liens having ever been registered against the land.

As the liens were never registered against the land and there is no further security for [illegible] advances, it is recommended that the indebtedness be cancelled.

C.E. Gilchrist.

Dear Sir:

Ottawa, 25th October, 1952.

Re: N.E. 25-10-14-W4 - Archibald McGrath
S.E. 32-10-14-W4 - James Arthur Murphy
N.W. [illegible]-10-15-W4 - Robert Mannings

This Department has old accounts against the above noted lands for advances of seed grain, fodder and relief to Archibald McGrath in 1919 and 1920, James Arthur Murphy in 1915 and Robert Mannings in 1915.

We are anxious to bring our records up-to-date and if possible to settle these long outstanding accounts. It would assist us greatly if you would be kind enough to complete the attached forms.

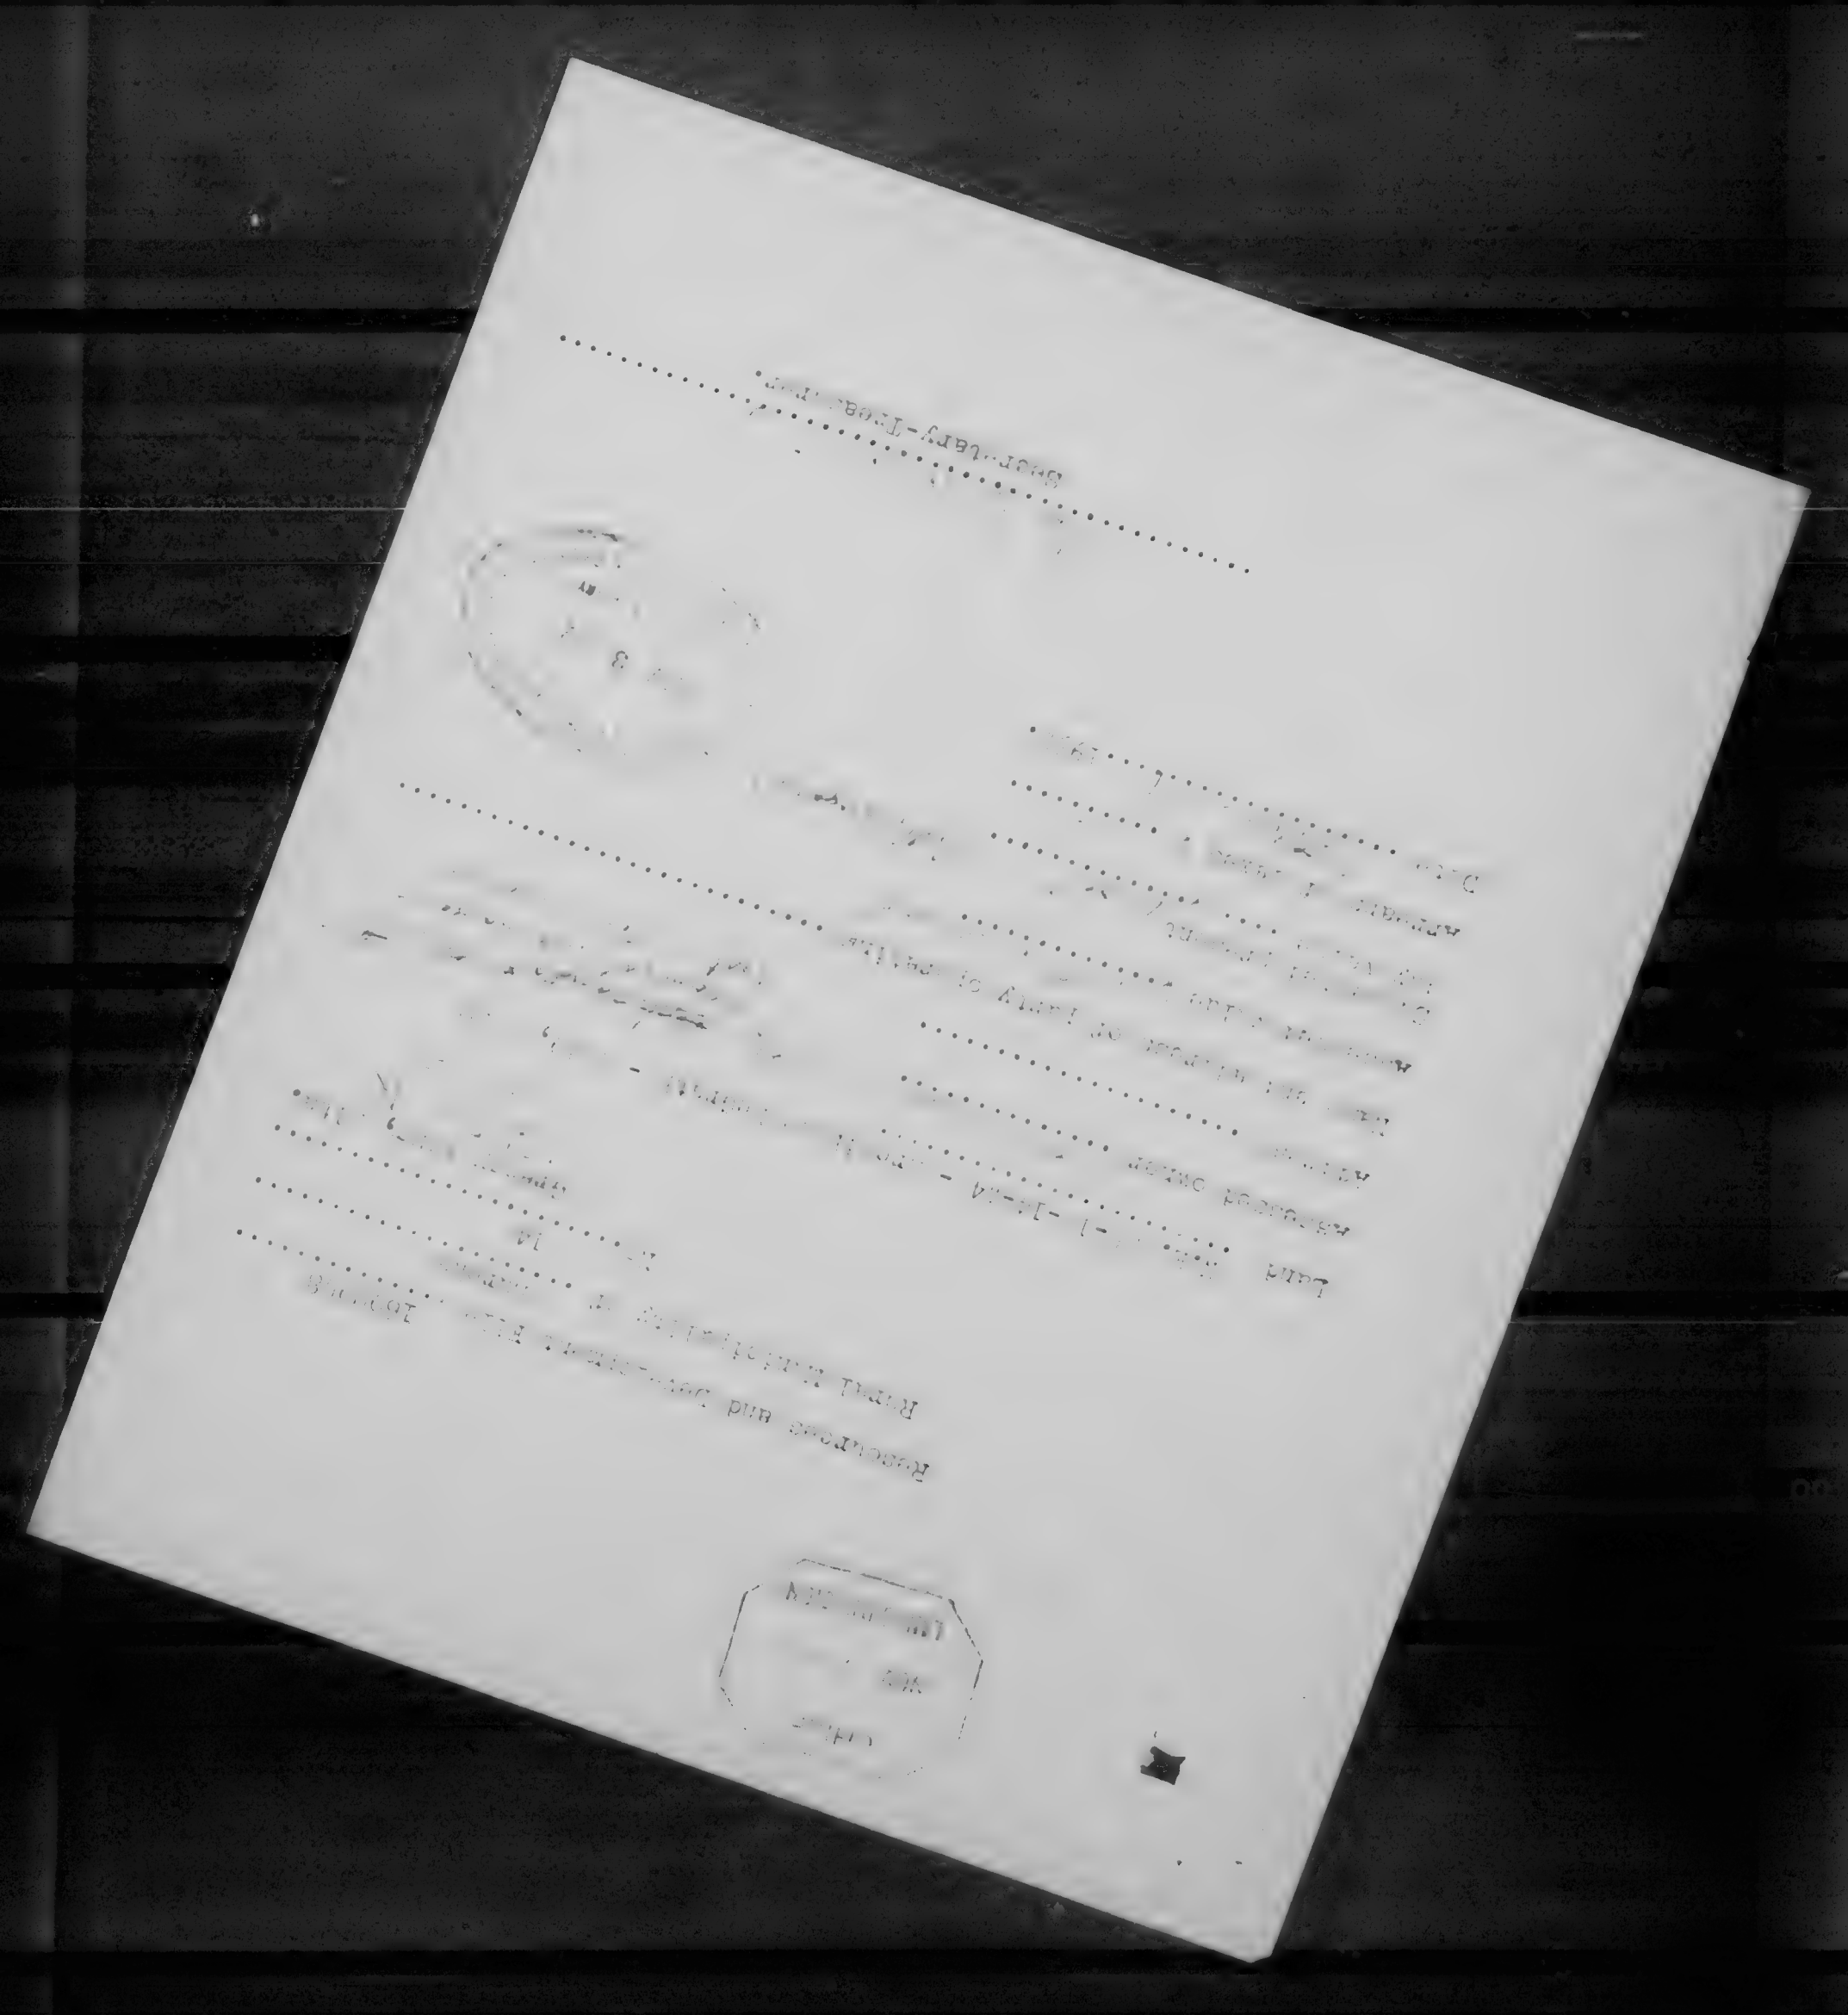

An addressed envelope which does not require a stamp is enclosed for this purpose.

Encls.

Yours very truly,

C.K. [illegible]
Chief, Claims Division.

Re: Account of [illegible] McGrath
[illegible] 25-10-14-4

The matter of an application for an adjustment of indebtedness against the above mentioned entry is referred to me, constituted as a board to deal with such cases. Having carried on investigation I am now in a position to report as follows:

In 1919 and 1920 seed grain advances to $266.80 were made to Archibald McGrath on the security of the above entry and no payment has ever been received on the principal amount of this account is:

Principal	Interest	Total
$ 266.80	$ 604.79	$ 871.59

The N.E. 25-10-14-4 was formerly the pre-emption of the debtor whose entry was cancelled on the 18th of June 1925. Title to the land now stands in the name of the Colonization Officer, Department of Water Resources and there is no record of the liens having ever been registered against the land.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

C.A. Gilchrist.

Account of Archibald McGrath

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.
